**Re: NTU SPIRITCYBER-22 Hackathon**

Dear Goh Wei Tai Jonas, Chin Hong Ming, Wee Ming Qing, Tan Rui Bin,

Congratulations to your Team on winning the Special Prize in the NTU SPIRITCYBER-22 Hackathon on 9-10 December 2022!

Despite the stiff competition, you persevered and prevailed. The teamwork you demonstrated over the two-day event was also exemplary and commendable.

Do not rest on your laurels though. If anything, may your success in this hackathon motivate you to seek greater heights and pursue more “*exploits*” in the future. Again, congratulations!

Sincerely,
